 - *Financial assistance grants to help with arrears, deposits, and utilities bills are available!*
- Training or retraining for a job, developing interview skills, and/or building a resume
 - *There's even funds to help you pay for job retraining, uniforms, and needed tools!*
- Connecting with mental health and/or substance use treatment options that work for you
- Signing up for VA and/or state health insurance, public assistance programs, and other local resources
 - *We can even drive you to appointments and sit in them with you if you'd like!*
- Applying for the benefits you earned during your time in service
- Connection to both the MVOC food and clothing pantry and other pantries in your area
